Cairngorm Traverse

As has been widely trailed, there will be a break with tradition for this year's September Cairngorm Traverse. Instead of the usual Sunday bus meet from Golden Square, the take-off point will be Muir Cottage at 7.00 am on Saturday 8 September. The bus will proceed as usual to the Cairngorm car park, and members can then traverse back to Muir with complete freedom of route and no time constraints. Some members will bivouac on the hill on the Saturday night. There will be no friendly bus waiting in the parking lot at Linn of Dee.

Make your own way to Muir Cottage on Friday night. There will be free accommodation on both Friday and Saturday nights at Muir for those on the meet. If you are not in the habit of using Muir, this is your chance to experience what is probably the best club hut in Scotland. But there is a limit of 24 people at Muir, so get your booking in early. Is there to be an event on the Saturday night for the tired but triumphant traversers? Well, there may be a barbeque but no commitment at the moment.

This is your chance to do a big long traverse in the Cairngorms without the constraints imposed by the limits on bus drivers' hours. Next year we shall probably return to the tried and tested format.

Club Training

The Club is running a First Aid course on the 1st, 8th, 15th, 22nd and 29th October. The course is fully accredited to the HSE and will provide participants, upon successful completion, with a First Aid Certificate valid for NGB Courses such as ML or SPA valid for three years. Current holders of such awards should also be in possession of a valid First Aid Certificate. The Club can only run the course if there is sufficient interest. Contact Neil Gauld for further information.

Navigation

The Club is intending to run a navigation training course. An indoor theory night will be held on Wednesday 10 October followed by a practical hill day on Saturday 13 October in and around Braemar. The course is being run internally and will be aimed at novice/intermediate level. Spaces will be limited so members are advised to book early. Again contact Neil Gauld for further information.

.....

Louis Fussell: Some of those at the Inchnadamph Meet missed this familiar figure at our Easter Meets, with his not-so-modern bicycle, and a certain insistence on contributions to his charity of the moment (see *CCJ*, vol. 20(104), p.230, for an account of how to raise £2000 for Albania by cycling from Land's End to John o'Groats, *and* get invited to a champagne party!). However, our eagle-eyed President has spotted an article on Louis in a 2006 youth hostel magazine. Now in his eighties, he has raised £4,500 for Macmillan Cancer Relief by cycling from his home in Bedford to Glasgow. Maybe Louis felt that Inchnadamph for a second time in five years or so was too far, or was it the prospect of thin pickings from Club members and/or Highlanders? Anyway, we hope to see him again next year!

.....

The Donalds: A new pocket-sized guidebook, written by Elizabeth Layhe and published by Entire Productions, is available at £7.99 from bookshops or the publishers (entireprod@hotmail.co.uk). There are 87 Donalds, spread between the Ochils, the Cheviots and the Galloway hills.

NEMT Hill Tracks Project

Vehicle hill tracks in wild mountain land have become very topical recently. A lot of construction work has gone on, much of it without planning permission, and a number of cases have been challenged. There is a pressing need to collect more up to date information on the current state of upland vehicle hill tracks in the Cairngorms National Park. Such a database will be invaluable in both establishing the current baseline condition and in identifying and monitoring the construction of new tracks.

The North East Mountain Trust (of which the Club is a member) is launching a Pilot Survey in summer 2007, based on the use of a hand-held GPS and digital camera, in the north-east section of the park (see map) bounded by the Dee and the Lairig Ghru. It is planned that this will form the basis for a larger survey in 2008 and onwards, involving the full area of the Park.

The idea is that individuals should survey existing hill tracks while they are out walking in the area. People are free to pick either an area to survey, or to simply take photographs and waypoints wherever they have chosen to walk. A simple form will be used to describe some of the basic features of the track such as width, surface condition, etc., and this data plus photographs will be sent via a CD to a central point for processing and mapping. Any Club member interested in taking part should contact hilltracks@nemt.org.uk, and will then be informed of the next stage.

Climbing Round-up

Summer this year got off to a good start, with us all enjoying the driest and sunniest April for years, which coincided nicely with the start of the Tuesday evening sessions. Also kicking off at the same time was the grand opening of the new Transition Extreme climbing wall down at the beach, now we have no excuse for not climbing in bad weather!

We are now back to some more seasonal weather, but the hardy members of the climbing section have been making it out most weeks, against all odds! Whilst the recent trip to the Arbroath sea cliffs resulted in the attendees seeking refuge under a park shelter to indulge in a BBQ and Arbroath Smokies, the following week saw a particularly good turn out on top of Clachnaben for some surprisingly pleasant conditions.

We were also treated to a very fine night at the new venue (for the Club at least) of Earnsheaugh, where a steady stream of climbers enjoyed the 2 pitch coastal classic of 'Deathcap', amongst other routes.

Anyway, the weather can't get much worse, so lets hope there will still be some more good sessions to come this year!!

Over and out.....

Meet venues - suggestions wanted

Anyone wanting to suggest venues for day meets should advise Alec Macmillan, our day meets secretary; anyone wanting to suggest venues for weekend meets should advise Tim Walmsley, our weekend meets secretary; and those wanting to suggest speakers for indoor meets should advise Anne Pinches, indoor meets secretary, Ken Thomson, the secretary - or talk to any Committee member. The contact details for these office bearers are given on the back page.

The Committee is keen that members wishing to organise additional meets to smaller venues should use the Club e-mail mailing list. This can be used for meets to remote bothies or for wild camping meets where perhaps for practical reasons numbers should be restricted.

**Ring Out the Old, Ring In the New(ish)**

The last AGM of the old MCofS and the first AGM of the new AGM were held in Perth on 17 June, when Chris Townsend took over from John Mackenzie as President. The formal business was followed by an "Open Forum", mainly on Civil Liability Insurance - a topic of long-running concern to the Club. Ken Thomson did his best to put points made over many months by Richard Shirreffs. The outcome cannot (in Ken's opinion) be regarded as very satisfactory, and/but we

"await further developments" over the summer. A full report will be put to the Committee in August and to the Club's AGM in November. For more AGM detail, see www.mountaineering-scotland.org.uk/.

Club Library

We have approximately 1000 books held in the Special Collections library in Aberdeen University. This is open to Club members on production of a membership card. An alphabetical listing of books is given on the Club website www.cairngormclub.org.uk/library.

Job Opportunities!

The Club relies on a good few people, on and off the Committee, to keep its activities running smoothly, and two such "jobs" will need to be re-allocated from the present holders by the time of the next AGM or before:

Club Librarian (Claire Marris): liaise with Aberdeen University Special Collections (who hold our books, journals etc.), encourage members at Indoor Meets and otherwise (e.g. Newsletter "tips"?) to access interesting reads, available guides, etc. , and be the first to buy and read that new mountaineering book before depositing it in the Library!

Muir Booking Secretary (Alex Barbour): act as contact person for Clubs and individuals wanting keys for Muir; no responsibility for Muir itself, but reporting to Richard Shirreffs or Derek Pinches as appropriate.

Anyone interested in one or other of these jobs (which need not involve Committee membership) should contact Ken Thomson or Eilidh Scobbie. Either of the present holders will be pleased to explain their job in more detail: see back page for contact details.

Club Possessions: the Secretary, Ken Thomson, is seeking to compile a definitive list of the Club's possessions which may have strayed into, or been kept for safe-keeping, in hands other than (mainly) his own or at Muir. These might include books, etc. (e.g. Muir or Shelter Stone logbooks, diaries), pictures, photographs or slides, legal documents, equipment (old or new), membership lists, etc. Please report any such items to Ken

Ian Stephen: Older members will be saddened by the death, at his home in Buckie on 22 May, of Ian Stephen, a Club member since 1960, and Vice-President 1975-78. His account of completing the Munros in 1969 appears in *CCJ*, vol.94 (1971), pp. 32-3. Until recently, he was a regular attendee at Club Dinners.

Muir Keys: Anyone with a (new) key to Muir, and is not certain that Alex Barbour and/or Richard Shirreffs is aware of this, should notify their possession of said key to Alex, via muir-booking@cairngormclub.org.uk

Ceilidh

This year the Cairngorm Club is not running its own Ceilidh night but is supporting the Aberdeen Mountain Rescue Team Ceilidh.

This is on Saturday 13th October 2007 at the Ashdale Hall in Westhill, dancing the night away with Galik Bred. Tickets will be on sale from August at a cost of £10 per person and include stovies (veggie option available). There will be a licensed bar for the alcoholics, a raffle with superb prizes for the gamblers, and a prize winning competition for the disputious. All proceeds will go to the AMRT.

Tickets will be available from

Claire Marris (librarian@cairngormclub.org.uk,)
and Gill Shirreffs .

CLUB SUBSCRIPTIONS

Subscriptions for the year 2007/2008 become due on 1st October 2007. For those paying by Direct Debit this will be collected automatically. Others should send their subscriptions to the Treasurer: Derek Pinches, Broombank, Kinellar, Aberdeen AB21 0TL.

Day Meets - updated formats

Overnight Meet South Cluanie Ridge --- June 30th and July 1st

The overnigher meet used to be a major annual event some time around mid-summer. There was a small beginning to its resurrection last year and this year to continue its rehabilitation there was a traverse of the South Cluanie Ridge. Any suggestions for future overnigher venues contact Alec Macmillan .

Cairngorm Traverse

A new format for the traverse is also being tried this year, full details are given on the front page.

And yet more births

Congratulations to Neil and Lesley Stables on the birth of their son Callum on 15 June 2007.

Weekend Meets

Lochinver - Clachtoll Campsite — 21/22 July

Sure to be popular with the climbers, especially the ones still to tick “the Old Man” (and that isn’t a Club member I’m referring to). The legendary hills of Glencanisp Forest are all nearby, offering a spectacular summer trip to make this a weekend you won’t forget in a hurry. Contact Dave Ogden (climb@cairngormclub.org.uk)

Strontian - Ariundle Bunkhouse — 25/26 August

Plenty of Corbetts to be found in this area for the baggers and not too far to several popular Munros around Glenfinnan. The area is also noted for its wildlife, with a huge variety of birds and animals, such as deer, pine martens, wildcats and eagles. Contact Andy Lawson

Arran - Loch Ranza YH — 22/23 September

Almost surrounded by the hills and complete with a thirteenth-century ruined castle, this waterside hostel is a wonderful place to relax, or for the more energetic Goatfell and the other 3 Corbetts beckon. Contact Joyce Ritchie

Crianlarich - Inverardran Cottage — 20/21 October

Plenty of fine hills in the area with Glen Falloch having 7 Munros and 14 tops with the likes of Ben Lawers and the Blackmount only a short journey away. Contact Fiona Walmsley

Achnasheen - Inver Croft House — 24/25 November

Plenty of big days available nearby although the length of the days might dictate routes. Plenty locally to keep all occupied with many Munros and Corbetts awaiting your boots. Contact Marjory Ewen

Indoor Meets ***New Venue***

We have a new venue for the Indoor Meets this year at the Seafield Club (some of you may know it better as the Gordonian Club) in Seafield Road. The cost will remain at £3.00 to include tea and coffee and the first Wednesday of each month at 7.30 pm will be the usual date and time for meeting. Exact dates are given in the calendar. As with previous years the first meeting will be Members’ Night on 5 September when everyone is invited to bring along some digital photos or slides and share experiences or simply some good views with the rest of us.

Mid-week (Thursday) walks (details on previous page)

Please arrive promptly at the meeting points. On some occasions the arrangements may change, so please contact one of the organisers if in doubt or if further information is required. If you intend to drive straight to the starting point of the walk, please let one of the organisers know. If you carry a mobile phone on a walk, please let others know the number before starting out.
